ABOUT TERRA DRILLING

At Terra Drilling, we've been ***Drilling for your Success since 2008***, specialising in ***surface diamond and exploration drilling***. With nearly two decades of proven expertise, we are proud to be a trusted partner in delivering high-quality drilling solutions.

We proudly provide drilling services to ***Major Multi-national Mining Houses, Mid-tier Mining and Exploration Companies***, and ***Junior Explorers***. From truck-mounted rigs with deep drilling capabilities to track-mounted options for challenging terrains, we leverage state-of-the-art technology to handle projects of any scale.

Our flexibility, agility, and commitment to our client's success set us apart. We adapt to their needs, ensuring timely, cost-effective outcomes without compromising quality.

16+
YEARS

COMPANY STRENGTHS

Skilled Workforce

Highly experienced management team and skilled workforce who bring precision, innovation, and reliability to every project.

Operational Excellence

Committed to maintaining safe and healthy work environments while driving continuous improvements in safety standards.

Client Focused Approach

We're more than contractors—we're flexible, agile, and approachable partners, dedicated to building lasting relationships through attentive service.

Specialised Diamond Drilling

Our expertise in specialised diamond drilling ensures precision and efficiency, making us a trusted partner for complex exploration and mining projects.

We excel at adapting to unique project requirements, managing costs efficiently, and delivering on tight deadlines. We ensure tailored solutions that drive successful outcomes by working closely with our clients.

FLEET & CAPABILITY

STATE-OF-THE-ART DRILLING EQUIPMENT TO HANDLE BIG OR SMALL PROJECTS

Boart Longyear KWL 1600H

A versatile, track-mounted drill setting industry standards in performance, safety, and deep capability.

Depth Capability:

- Up to 2200m NQ
- 1600m HQ
- 900m PQ

Hanjin 35 Multi

Track-mounted for steep terrain, eco-friendly with a small footprint and excellent drilling capability.

Depth Capability:

- Up to 2000m NQ
- 1200m HQ
- 500m PQ

- ✔ **Diamond Drilling:** Core drilling
- ✔ **Directional Drilling:** Precision multiple-intersection drilling
- ✔ **Metallurgical and Geotechnical:** Specialised sampling
- ✔ **Mud Rotary Drilling:** Pre-collars or sampling

HEALTH, SAFETY, ENVIRONMENT & QUALITY

At Terra Drilling, we are *committed to achieving the highest standards in Health, Safety, Environment, and Quality* across all our operations. Our proactive approach ensures that safety, environmental sustainability, and quality remain at the forefront of everything we do.

Our Safety Commitment

- ✓ Elimination and control of hazards
- ✓ Foster a culture of safe practices
- ✓ Safety embedded into our everyday operations and decision-making

IMPECCABLE SAFETY RECORD, GLOBAL STANDARDS WITH DEEP LOCAL KNOWLEDGE

Safety

Our dedicated HSEQ team, led by the General Manager, HSEQ Manager, Operations Manager, and Supervisors, ensures top health, safety, environment, and quality standards. The HSEQ Manager oversees comprehensive staff training, fostering a culture of safety and excellence.

Environmental Responsibility

We minimise environmental impact by promoting employee awareness, complying with laws and client requirements, and following a regularly updated Environmental Management Plan.

Quality

Exceptional quality through precision, reliability, and a client-first approach. Our experienced team, state-of-the-art equipment, and agile operations ensure that every project is completed efficiently, meeting the highest standards and client expectations.

OUR CLIENTS

As a privately owned company, we pride ourselves on delivering a **personalised** and **flexible approach** to every project. Our independence allows us to provide every client with direct attention from our owners and senior management, ensuring a **seamless and responsive experience**.

We take the time to understand your unique requirements, adapting our solutions to meet your goals with **precision and care**. Unlike larger corporate firms, we offer **genuine partnerships built on trust**, agility, and **commitment to your success**.

OUR PROMISE

 Safety First

 Global Standards

 Local Expertise

 Customised Solutions

 Partnership Ethos

 On-Time & Budget

 Sustainability & Responsibility

 Integrity & Transparency

 Innovation

 Back Into The Community

We deliver **quality results** with **precision, efficiency**, and a commitment to **reducing costs** and **environmental impact**.

OUR CUSTOMER BASE

We work with *Major Multi-national Mining Houses, Mid-tier Mining and Exploration Companies, and Junior Explorers*, building long-term relationships based on trust, reliability, and *exceptional service*.

Our *commitment to understanding and meeting the unique needs* of each client has earned us a reputation for delivering *high-quality solutions* and fostering *enduring partnerships* across the industry.

“Terra was engaged to complete two deep diamond holes to 600m at our Mulga Bill Deposit this year. From initial discussions through to drilling and completion of the program, we found the communication and professionalism of the Terra team to be fantastic.

Drilling production rates were good, core quality was of a high standard and site cleanliness and safety standards were upheld, so the program ran very smoothly. Importantly, due to the efficiency and professionalism of the crew, the program came under budget.

It was our first time using Terra at Great Boulder, but I wouldn't hesitate to contact them about further Diamond programs in the future.”

Daniel Doran
Exploration Manager Great Boulder Resources

OUR PEOPLE

Our people are the backbone of our success, bringing **industry experience** and **hands-on expertise** to every project. They are at the forefront of innovation, finding reliable, tailored solutions to meet each client's unique requirements.

Beyond technical skills, our team embodies the values of **collaboration**, **safety**, and **integrity**, which form the foundation of our operations.

We foster a family-oriented culture where everyone is supported and empowered to excel, driving consistent, outstanding results and **long-term client satisfaction**.

At the heart of our operations is a skilled team dedicated to excellence and continuous improvement. We strongly emphasise training and promoting from within, nurturing our people to grow alongside our business and meet evolving challenges.

We take pride in creating a workplace that values empowerment and opportunity. By investing in our team's development, we ensure they deliver the high-quality, client-focused service that defines our reputation.

BACK INTO THE COMMUNITY

Terra Drilling takes pride in **supporting small non-profit** organisations, **schools**, and **charities**, alongside actively participating in initiatives like **the annual Variety Bash**.

As the major sponsor of the Kambalda Football Club for over 10 years, we are deeply **committed to giving back to our communities**. Unlike larger, more detached companies, we actively invest in local initiatives, with our owners and team members personally involved in community development.

Variety Bash 2024

As a proud Kalgoorlie-based business, Terra Drilling is **committed to supporting our local economy by purchasing everything possible locally**.

We believe in fostering strong relationships with fellow local businesses, ensuring our success contributes directly to the growth and sustainability of the Kalgoorlie community.
